

Pomona's Universal Pectin

The only pectin product on the market that is:

Sugar free, no preservatives, non-GMO

Pomona's Jells with LOW amounts of ANY sweetener.

**Other pectins contain dextrose or preservatives, or both.
Not Pomona's, it's 100% pure citrus pectin.**

Concentrated and economical - each box makes 2 to 4 recipes.

Timesaving - recipes can be doubled and tripled.

Shelf life - keeps indefinitely.

Pomona's is celebrating 35 years - and still going strong.

Pomona's Pectin is different because it jells fruit in the presence of calcium (comes in the box with the pectin), not sugar. That means jams and jellies can be made with less, little, or no sugar. Pomona's gives the jam maker complete control over the sweetener. Other possible sweeteners are honey, fructose, agave, concentrated fruit sweetener, maple syrup, frozen juice concentrate, stevia, xylitol, Splenda, and other artificial sweeteners.

Any jam maker trying to reduce sugar in their diet will love Pomona's!

UPC Code: 019356551111

24 - 1 oz. boxes per case; Display Case size in inches: 7w x 4 1/2h x 10d

Each 1 oz. box contains a packet of pectin, a packet of calcium powder and a sheet of directions and recipes. A **JAMLINE** telephone number is included for jam-making questions.

Box size in inches: 3 1/2w x 4 1/4h x 1/2d

Our cookbook, *Preserving with Pomona's Pectin*, has sold over 10,000 copies and is pushing demand for Pomona's on store shelves.
